

# PEACE LOVE & DANCE September Newsletter

Peace Love & Dance is happy to have all of you be apart of this great journey we are embarking on. We are honored to have every one of your children be apart of our dance family and every month seems to be getting better and better. If you are new to our studio then just know that every month there will be a newsletter keeping you up to date on what is going on with the studio.

**Tuition-** If you have not paid already, tuition will be due this first week of September, the 3<sup>rd</sup> through the 5<sup>th</sup>. Any payment made after that will have a \$15 late fee.

**Apparel for Parents Now!** – If you haven't seen it yet, we are now offering PLD apparel for the dance moms out there. If you are a dance dad, let us know and we can gladly change the lettering. On our website, under news tab, we have examples of our Parents apparel. Also know that if you would like a zip up hoodie, we can also order one for you with your name on it.

**Recreational Classes** – We still have room in some of our recreational classes, if you have any friends or family members interested, let them know they can try out there first class for free.

**Facebook Page** – If you haven't yet, head over to our Facebook page and like us. We are constantly giving updates on the studio and posting pictures and videos of students in class. It's also a great way to share us with your friends and family.

**Holiday, September 2nd** – September 2nd is Labor Day and the studio will be closed. All tuition will still be due the first week. We hope all of you enjoy your day off with your children.

**Competition Dancers** – Congratulations on becoming part of Peace Love & Dance's competition team. It is not only a testament to your dancing ability but also a privilege. Please make sure you are on time to our classes and coming in ready and focused. We want to make this our best competition season yet, and to do that we need to have everyone doing their best.

**Emails** – Ryan can always be reached through phone call but best ways to stay in touch is through email. We always send all of our information through email and try to waste as little paper as possible. If you are missing a form or paper of information, send us an email and we can send it back in that email.

**Competition Music-** If your competition dancer wants to practice at home (which is recommended), then you can purchase a CD from us for \$2 and it will have all of your child's music on it.

We want to thank all of you so much for choosing our studio as your place for dance and we hope that we continue to earn your business. All of your children are blessings to us and we cherish our time dancing together each and every week. If you have any questions, please feel free to contact us. Thank you!
