

PEACE LOVE & DANCE November Newsletter

Peace Love & Dance is happy to have all of you be apart of this great journey we are embarking on. We are honored to have every one of your children be apart of our dance family and every month seems to be getting better and better. If you are new to our studio then just know that every month there will be a newsletter keeping you up to date on what is going on with the studio.

Tuition-Tuition will be taken out on the 1st of each month.

Cold Waters Being Sold- We offer cold waters at the front desk for \$1 for students and parents.

Recreational Classes – We still have room in some of our recreational classes. If you have any friends or family members that are interested, let them know that they can try their first class for free!

Christmas Dances – Our students 2 ½ to 12 years old have started learning a Christmas routine. During the last class in December, family and friends will be able to come in the last 10 minutes to watch the children do their routine. We encourage all students to wear a variation of red, green, white and black for this performance.

Facebook Page – If you haven't yet, head over to our Peace Love & Dance Facebook page. We are constantly giving updates on what is going on with the studio and uploading photos and videos of your kids in class.

Rate us- If you haven't already, please head over to our Yelp and Facebook page to rate the dance studio. It's a great way to help us grow and we love to hear feedback!

Holiday – November 23rd through November 29th the studio will be closed for Thanksgiving break. A reminder that if we have 3 or more weeks in the month, tuition remains the same.

2nd Competition Fees Due– Just a reminder that our second competition fees are due by Thursday, November 19th for our competition students.

PLD Apparel– We will be putting in a new order of apparel on the 15th of November, just in time for Christmas! Check out our new Merchandise wall in the waiting room!

Student Pick up/Drop off – As our studio continues to grow we need to keep watch of how our students are being dropped off and picked up. For safety reasons, we are now making it mandatory for all parents to walk their children to class and to pick them from the dance room. We do not want any children walking into the parking lot unattended.

Competition Music – If your competition dancer wants to practice at home (which is recommended), then you can purchase them their music for \$2 and we will burn their songs on a cd for you.

We want to thank all of you so much for choosing our studio as your place for dance and we hope that we continue to earn your business. All of your children are blessings to us and we cherish our time dancing together each and every week. If you have any questions, please feel free to contact us. Thank you!
