

PEACE LOVE & DANCE September Newsletter

Peace Love & Dance is happy to have all of you be apart of this great journey we are embarking on. We are honored to have every one of your children be apart of our dance family and every month seems to be getting better and better. If you are new to our studio then just know that every month there will be a newsletter keeping you up to date on what is going on with the studio.

We're Back! – We want to thank all of our amazing dance families who have returned for a new season and also all of our new families that are here for their first! We plan on making our 5th season our best one yet! Classes have already begun and we couldn't be happier with how all of our students are doing.

Competition Students – Congratulations to all of our students who made our competition teams. It is very important that all of our competition students are attending their classes and coming prepared with the proper dress code. For parents who want to purchase the cut music for their kid's classes, we will be selling cd's for \$2 at the front desk. All of your child's routines will be put on one disk.

Facebook Page – If you haven't yet, head over to our Peace Love & Dance Facebook page. We are constantly giving updates on what is going on with the studio and uploading photos and videos of your kids in class.

Parking Lot – We understand that starting back up or having your children in dance class for the first time can be an exciting experience. You may want to come and bring family and friends but we are asking for all of our customers to please be mindful of overcrowding in our parking lot. Just like the first couple weeks of school, we understand that our parking issues will die down. We also would like to ask you to keep our neighbors in mind when at the studio. We are not allowed to sit in front of other businesses store fronts or knock on their windows.

Christmas Show – We are so thrilled to announce that we will be having a Christmas Recital this year in December for our 7 years and younger recreational students. This is going to be an amazing show with many memories created. We can't wait to feel the holiday spirit and to watch our little ones perform on stage.

Christmas Costumes – As we announced in the Christmas Recital email, we will be sending out costume prices in September and you have until October 14th to pay them manually online in your parent portal. On October 14th all accounts will run automatically for their child's costume bill if it has not been paid yet. If there is an issue and you do not want your account ran, you must contact us before October 14th.
